CCTV Technologies: CCTV Technologies is a leading provider of enhanced CCTV & security solutions that increase safety, security, and operational efficiency. As a specialist closed circuit technology company in Cape Town, our cutting-edge security solutions service a variety of sectors.

Our services include installation and monitoring with advanced video analytics, ensuring comprehensive coverage and protection. We cater to gated communities, commercial and industrial business parks, and healthcare facilities.

Our team of experts utilizes the latest security technology to offer reliable and efficient security solutions. We provide advanced CCTV and security solutions. This includes:

- 24/7 off-site remote CCTV monitoring (live & event-based)
- Access control (electronic tags, biometrics, facial recognition and Automated Number Plate Recognition)
- 24/7 electronic fence monitoring
- On-site security staff monitoring
- Staff monitoring and management
- Healthcare support (individualised patient care, security and fall prevention)
