Salon Management Software – Streamline & Grow Your Business: Running a salon smoothly needs the appropriate tools to manage appointments, staff, stock, and customer relationships. Our Salon Management Software is created to streamline operations, improve customer experience, and increase business growth.

Key Features:

- Appointment Scheduling – Automate appointments, minimize no-shows with reminders, and enable clients to book online.
- Client Management – Save customer preferences, history, and contact information for customized service.
- Billing & Payments – Provide multiple modes of payment, create invoices, and monitor payment transactions.
- Inventory Management – Watch stock levels, send alerts when supplies are running low, and control product selling.
- Staff Management – Allocate shift schedules, monitor performance, and control payroll simply.
- Marketing & Promotions – Send targeted promotions, loyalty reward offers, and automated email or SMS marketing.
